

Zoo Camp Academy 2026

Week 8 August 3 – 7

5th – 6th Grade: Comic Creatures

What makes a hero heroic or a villain truly villainous? Campers will see animals that inspired famous characters from comics, film, and mythology.

They'll also create their own creature-based hero or villain using real animal superpowers for inspiration.

7th – 8th Grade: Wild About Science

Grab a notebook, it's time to be a scientist! Campers will conduct hands-on experiments, make real observations, and explore the natural world through the eyes of a researcher during this science-filled week.
