PreK - K

Lights, Camera, Animals!

It's time for some movie magic!

Campers will explore the amazing animals of the silver screen as they compare famous animal "stars" with the real creatures who live at the Zoo.

PreK - K

Big and Small, We Love Them All

The animal kingdom comes in every size imaginable. This week, campers will explore creatures large and tiny while discovering how their unique traits help them thrive.

Along the way, we'll learn that being different not only makes us special but can also be a superpower.

PreK - K

Busy Barnyard

The barn is bustling with animal fun!

Campers will meet goats, sheep, and pigs, see how they live and play, and enjoy hands-on activities that let them explore farm life up close.

[Back to Schedule](#)

1st - 2nd

Foodie Frenzy

Calling all young chefs! Campers will explore what animals love to eat, from crunchy leaves to meaty treats, and discover how diets keep creatures strong and healthy. Through fun games and hands-on activities kids will learn all about food webs, teeth, and the wild ways animals eat.

1st - 2nd

Animals at Play

Kids aren't the only ones who love to run, jump, chase, hide, and explore. Animals do it too! Campers will discover how play helps animals learn, grow, and survive, and they'll even try out some enriching activities themselves.

1st - 2nd

Home Sweet Habitat

Condors in a condo? Snakes in a shack? Axolotl in an apartment? Not quite, but every creature needs a special place to call home. This week, we'll explore habitats big and small, wet and dry, and everything in between.

[Back to Schedule](#)

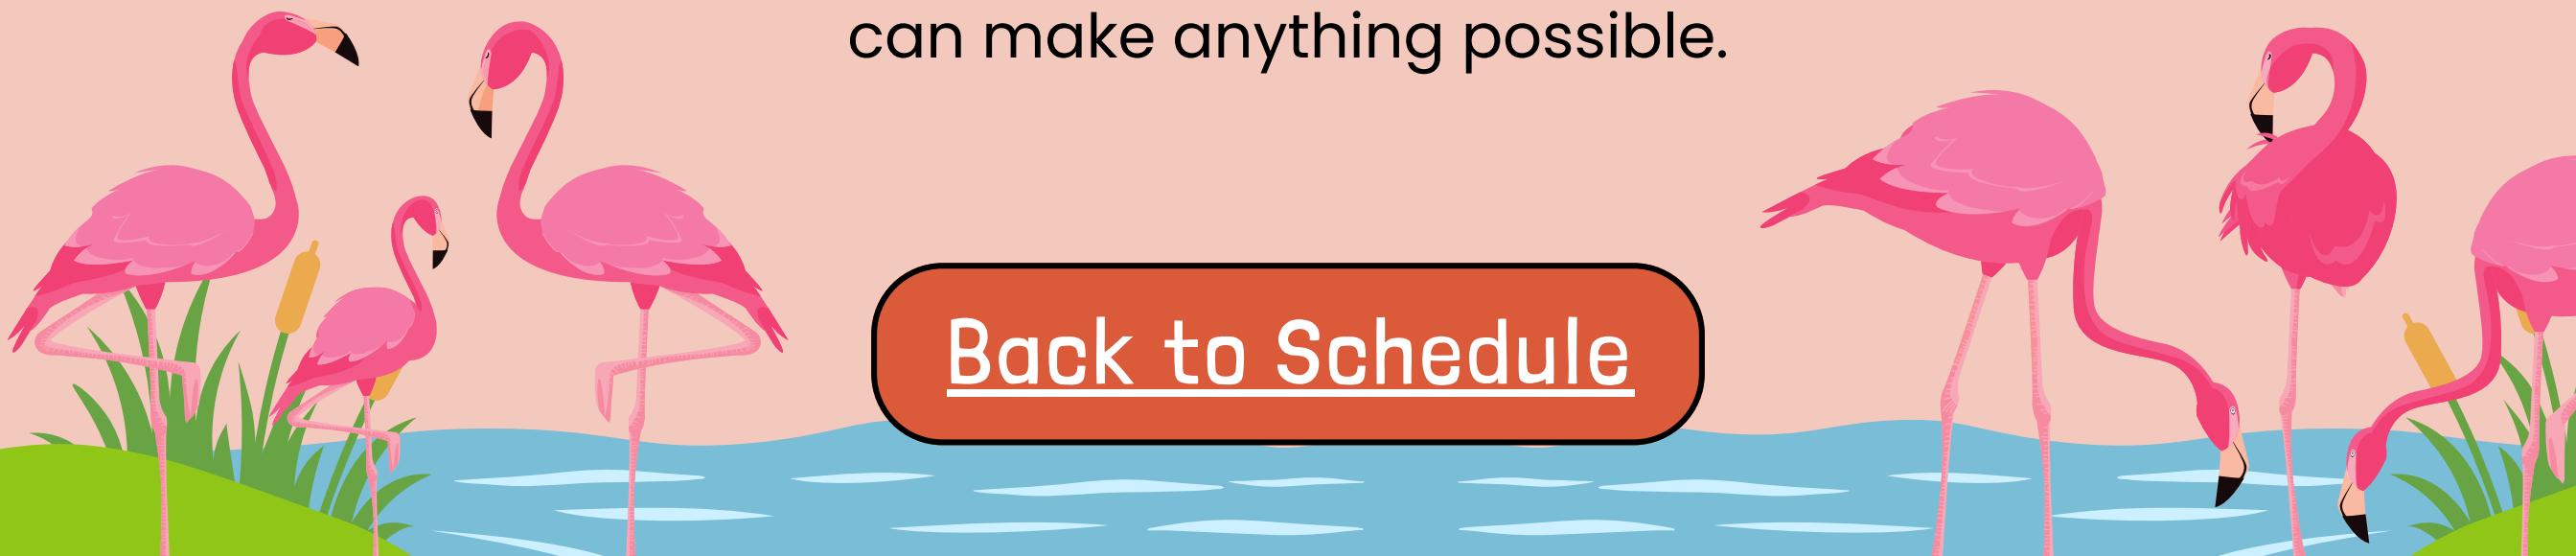

3rd – 4th

Creature Crew

Team up with some of the wildest animals around! Campers will discover how animals work together in herds, packs, colonies, and clans. Through games, adventures, and hands-on activities, kids will explore the power of teamwork in the animal kingdom and see why being part of a crew can make anything possible.

[Back to Schedule](#)

3rd – 4th

Planet Primate

Go bananas with a week dedicated to primates! Campers will become primate researchers as they explore what makes each species unique, from the red-headed orangutans of Sumatra to the acrobatic spider monkeys of South America.

[Back to Schedule](#)

3rd – 4th

Jungle Giants

Get ready to meet some of Africa's most amazing animals! Campers will explore the lives of some of our most monumental animals, like giraffes and gorillas. Through fun games, hands-on activities, and wild adventures, kids will discover what makes each of these jungle giants so special.
